

MP3 Player

MP850

DIFRNCÉ[®]
see & hear the difference.

MP3 player

Hear on the new MP850 among other things the largest hits of the 70's, 80's, 90's and the best of today! Enjoy MP3's and WMA's with the DIFRNCÉ MP850 MP3-Player. By the build in USB it is easy data transfer, simply ingeniously! Like that your favourite music is fast and simply transferred. With only one battery, long running time is guaranteed. Enough power for your favourite music – throughout the day! The lit display and file browser provide a good menu orientation, so you can find your favourite title fast. Now also available, for the 1 gb player, the trendy colours red, green and pink.
